FALL 2017

Welcome to Heaton Pecan Farm.

In 1962 John & Billie Heaton purchased a grove of large, bountiful pecan trees that had been planted as far back as 1919. One year later, they were in the pecan business, marketing whole pecans directly to their customers. As the years went by, the business grew. They built a shelling plant, established a mail order business, and expanded their inventory to include chocolate coated, roasted, and other candied pecans. Then, in 1990, John & Billie opened The Barn (cover inset), where you'll find unique pecan treats, an ice cream counter featuring ten flavors of pecan ice cream, and a flavorful breakfast and lunch menu.

On January 5, 2005, John Heaton passed away, leaving a legacy of integrity, quality, service, and value to his wife, Billie, and his family including his daughter, Lisa, his grandchildren, Chase and Haley, and me. We, and the employees of Heaton Pecan Farm, all miss him dearly, but continue to strive to meet the standards he set for our products.

Nearly every treat in this catalog and in our store is hand made fresh each day in our kitchen. We guarantee that everything we make is the best it can be.

Whether you're looking for a special gift or just want to treat yourself, our products are perfect for any occasion. We'll be happy to ship your order anywhere you choose.

Quality and customer service are the main ingredients we use at Heaton Pecan Farm - that's because your satisfaction is our goal.

If you are traveling on I-65 in Alabama, stop off at Exit 208 and visit us at The Barn. We'd love to get to know you as a customer and a friend.

Thank You!
